Site Description

Brand new facility scheduled to go-live Q1 2010. 2,500 m² (27,000 sq ft) net data area in 6 dedicated data suites, each circa 4,500 sq ft (420m²), designed to meet Tier III Data Centre criteria. 8MVA of power to site, designed to deliver a density of 1.72kW per m² in N+1 in technical.

Available from dedicated suites of 420 m² to racks within a shared suite.

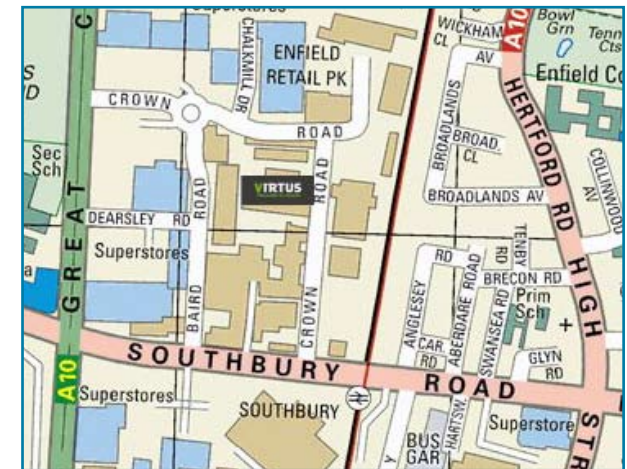

Directions

By rail:

By train from Liverpool Street to Southbury station. On exiting the station turn left, Crown Road is the first right at the traffic lights. Trade City is 200 metres along on the left immediately before Selco Builders Merchants.

By car:

Exit M25 at Junction 25 onto A10 Great Cambridge Road. After 2 miles turn left into Crown Road. Continue straight over roundabout, and then turn right at Selco Builders Merchants. Trade City is then first right.
